

Linking Glycoscience and health longevity

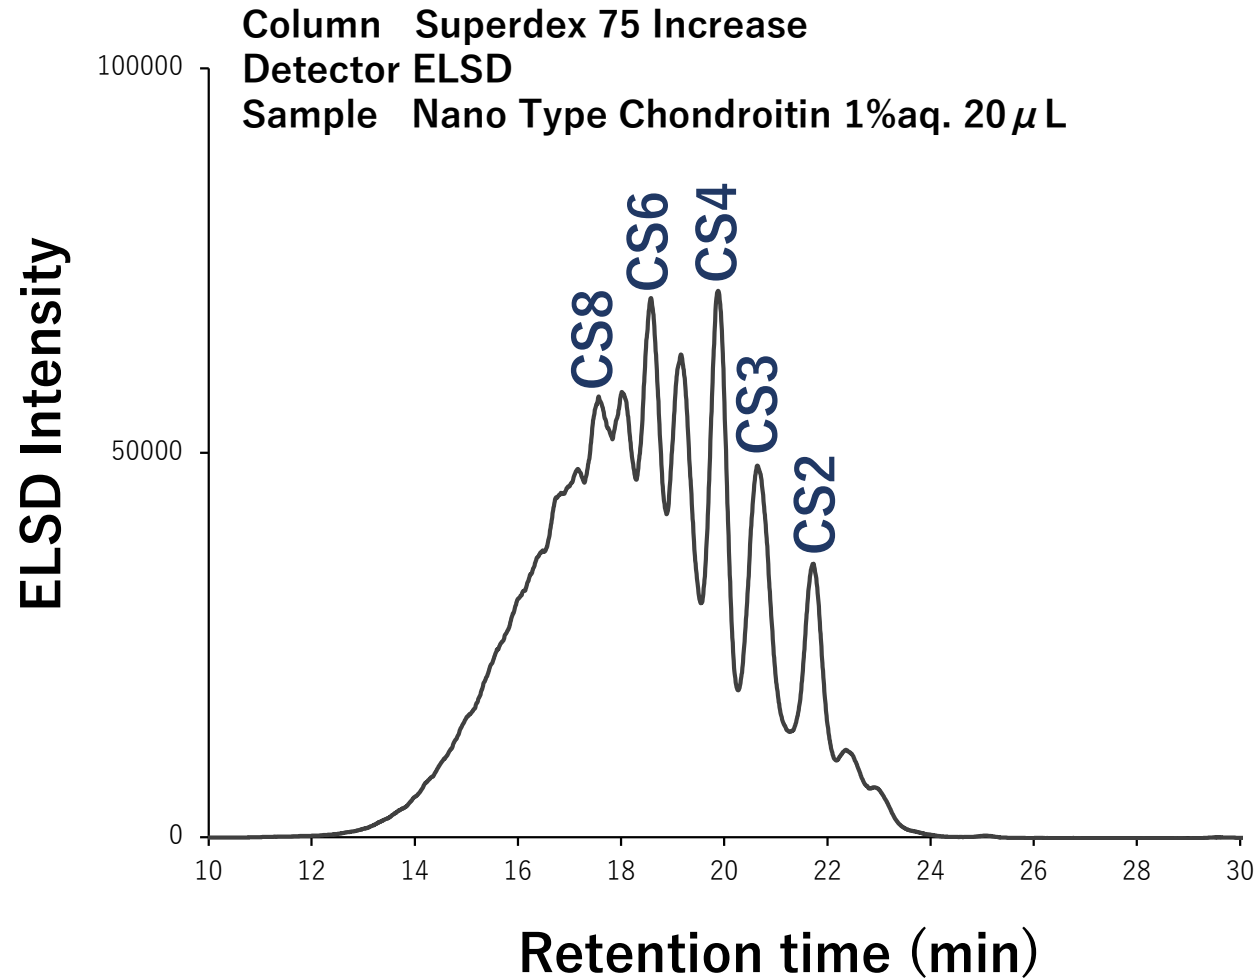

MARUKYOU BIO FOODS Co.

Nano Type Chondroitin

Products Analysis Data

Nano Type Chondroitin(Lot#250130)

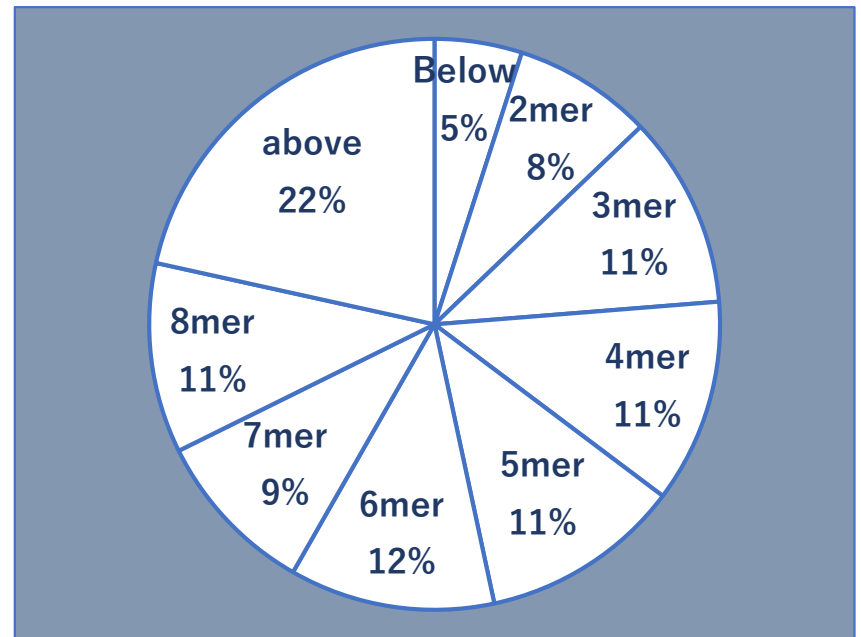

Molecular weight measurement by HPLC

【Quality Control Analysis】

item	#250130
Moisture content	7.3%
pH	3.71
Purity	91.0%
molecular weight (Mw)	1806

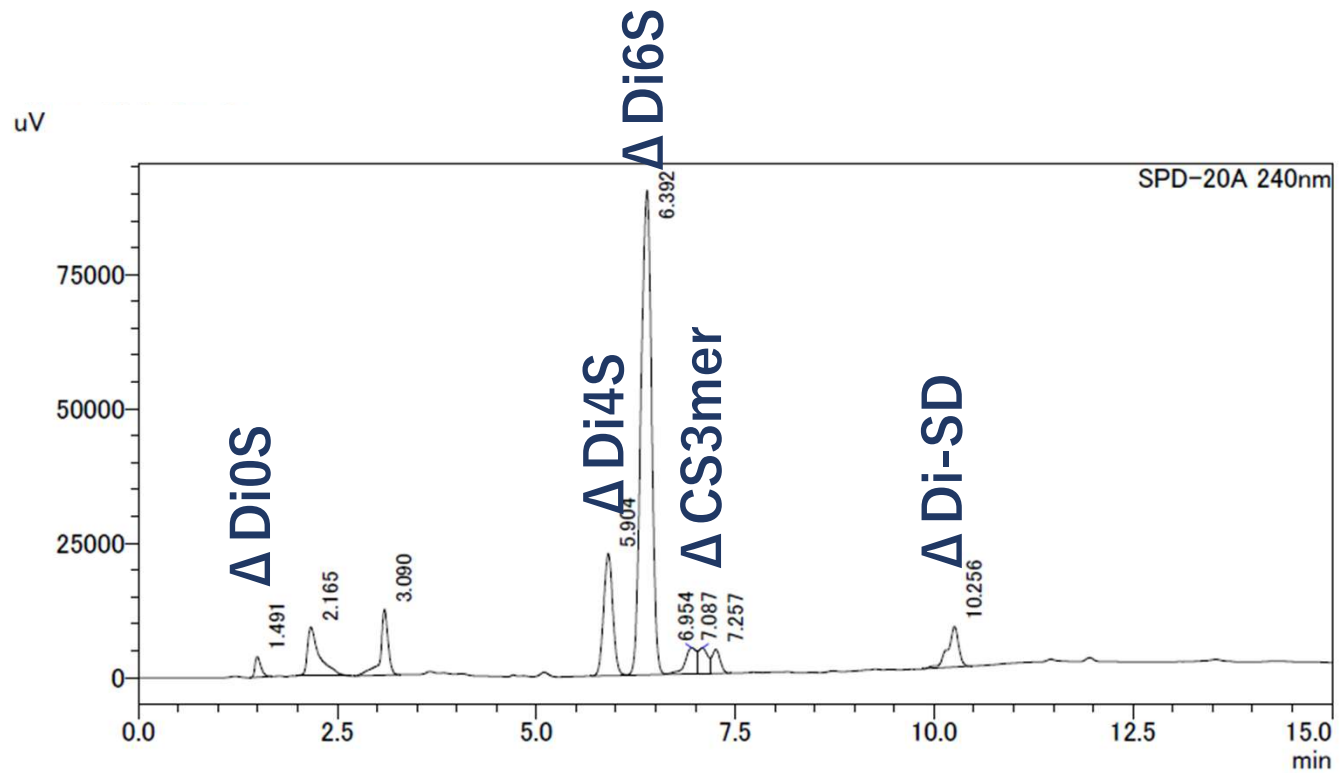

【Composition】

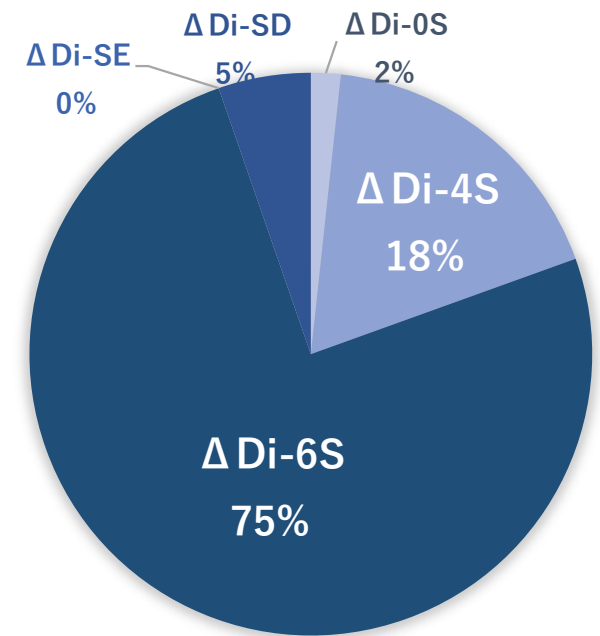

Nano Type Chondroitin(Lot#250130)

Disaccharide analysis

Column Synergi-Polar-RP
Detect UV240nm
Sample Nano Type Chondroitin CSaseABC digestive fluids

【Disaccharide Composition】
